

Terence Leo Rice
(Terry)

April 11, 1947 - Feb. 21, 2024

Terence Leo Rice (Terry), born in Belfast, Northern Ireland in 1947, passed away on February 21, 2024, at the VA Hospital in Asheville, NC. He was a devoted husband, loving father, proud grandfather, and a man of remarkable character.

Terry's life was a testament to resilience and dedication. At the age of 15, he embarked on a journey of service by joining the Irish Guards Regiment of the British Army. This early commitment to duty laid the foundation for a life marked by selflessness and honor. In 1968, he married Margaret Carson, also from Belfast, and together they embarked on a journey that would span continents and touch countless lives.

In 1974, Terry and Margaret immigrated to the United States, driven by the desire to provide greater opportunities for their growing family; they had already welcomed two children into this world while living in London, England. Upon arrival, Terry continued his service, enlisting in the U.S. Army and joining the prestigious U.S. Military Academy Band at West Point. Over the next 22 years, as he served his adopted country, Terence and Margaret welcomed two more children into their loving home, expanding their family and their hearts.

A man of many passions, Terry found joy in sharing stories, extending a helping hand

to those in need, and cherishing the bonds of family above all else. His love for the outdoors manifested in his enthusiasm for hunting and fishing, pursuits he shared with those closest to him. Proud of his immigrant heritage, Terry was equally proud of his American citizenship, embodying the values of loyalty, patriotism, and perseverance.

One of Terry's greatest joys was his love of music, particularly his skillful playing of the clarinet. His music filled the hearts of those around him with warmth and joy, leaving a lasting legacy of harmony and melody.

Terry is survived by his son Terence Rice and wife Leila of Lambertville, NJ; his daughter Maria Smith of Hickory, NC; his son Kevin Rice and partner Clara Schulte of Winchester, VA; and his daughter Angelene Fortune and husband Darrell of Morganton, NC, all of whom carry forward his legacy of love and service. He is also survived by seven cherished grandchildren who will forever hold his memory dear: Kayla McNeely, Clara Rice, Sophie Rice, Benjamin Fortune, Carson Rice, Elijah Fortune, and Amelia Rice. Additionally, he leaves behind his companion, Lynn Cunningham, who offered him love, support, and encouragement during his last two years. Terry also leaves behind three beloved sisters and numerous nieces and nephews across three different continents.

Terry is now reunited with his beloved wife, Margaret, who preceded him in death in 2017. Together, they will rest in eternal peace at the West Point Cemetery in West Point, NY, their love enduring beyond the bounds of this earthly life.

In addition to his beloved wife, Margaret, Terry is preceded in death by his granddaughter, Terri McKenna Smith, whose memory will forever remain a cherished part of the family's legacy. Together, they now rest in eternal peace, their spirits intertwined in the embrace of everlasting love.

In honoring Terry's memory, let us celebrate a life lived with purpose, passion, and unwavering devotion. May his spirit of kindness, generosity, and love continue to inspire all who had the privilege of knowing him.

The family will conduct a visitation for local friends on Sunday February 25th from 1:00 – 2:00 PM at Sossoman Funeral Home and Crematory Center in Morganton, NC. A formal service for family and friends will be held at West Point on a later date.

I am so sad to read of Terry's passing. We became friends and colleagues working at Broughton hospital many years ago and he was such a kind man. We would run into each other years later and find out that both our spouses passed away the same year. He always made me smile when I saw him, I'll miss him and his infectious personality. My thoughts and prayers go out to his family and friends.

I worked with Terry and Margaret at Broughton Hospital. They even had me into their home for dinner on one occasion, insisting that a single man could use a good home-cooked meal! I always found Terry and Margaret to be lovely and gracious people. I will always remember both of them fondly.

I met the Rice family back in 1974, not long after they came to America and Mr. Rice joined the USMA Band. I was fascinated by their wonderful brogue. Our families developed a friendship during those years in living in Band land. Many years later I ran into Mr. Rice at the South Gate Tavern where we shared a few pints and reminisced about those times at West Point. My heart goes out to Terry, Maria, Evangeline, Kevin and all who are mourning his passing.

—Joe Kirwin

Terry, Your infectious laugh , sense of humor and that thick Irish brogue....as one of your clarinet students, when I was in high school. You taught me so much, despite all the

Maria, As I read the beautiful testimony about your father's life, I know why you are the wonderful person that you are - it was passed down to you. I did not realize that your parents were born in Ireland (I have such a love of that land and hope to get back to visit some day). And that he played the clarinet - that was my instrument in high school band! He sounds like such a wonderful soul who has certainly shared his love with his family. Many prayers for you and the family as you move forward through your grief. I pray God's blessings over each of you and that you feel His strength and peace that only He can provide.
