Trevor Dale

June 13, 1998 - Jan. 6, 2024

Trevor Eugene Dale, of Morganton, NC, went to be with the Lord on January 6th, 2024. Trevor was born on June 13th, 1998, in Morganton, NC. He attended W.A. Young Elementary School, Table Rock Middle School, Liberty Middle School, and Patton High School (Class of 2016). After High School, he graduated Western Piedmont Community College's BLET program. In the last years of his life, he worked at VEKA fulfilling any role that was needed. During his middle and high school years he was an astounding wrestler, and his passion for wrestling shined through him. Everyone that knew Trevor loved Trevor, and he loved them back ten fold. No matter the situation, Trevor could put a genuine smile on your face and laughter in your lungs. He was a wonderful & devoted father to his four year old daughter Kallie, and was excited and looking forward to the arrival of his newborn son, Jaxson, born January 9th 2024.

Trevor is survived by his parents: Jeremy and Karen Penland, Siblings: Justin Dale (Cassidy), Matt Dale (Emily), Emma Penland (Eli), Brittany Lackey (Jessica), Jacklyn Davis, Children: Kallie Dale, Jaxson Dale, Fiancé: Jessica Dale, Uncle: Jerome Dale, Grandmother: Pat Penland, and multiple extended family members.

Trevor is preceded in death by many loved family members.

Trevor's life can truly never be summarized on any amount of paper but a bible verse that perfectly symbolizes his life is 1 Peter 5:10 "And after you have suffered a little

while, the God of all grace, who has called you to his eternal glory in Christ, will himself restore, confirm, strengthen, and establish you."

The family will receive friends from 6 to 7 p.m., Friday, January 12, 2024 at Pleasant Ridge Baptist Church. The memorial service will follow at 7 p.m. in the church.

Sossoman Funeral Home and Crematory Center is assisting the family with the arrangements.

My love goes out to the whole family. Trevor truly was one of the best guys I've ever met in my entire life. I've witnessed him be an astounding father to my sweet baby niece, Kallie. He's somebody that will be one of your best friends the first time you meet him. He's been such a great person ever since I've known him. It was literally impossible to ever be sad around Trevor. One of the best personalities of anybody I know. He made you feel comfortable and happy because he knew how to keep you laughing, just all

around easy person to talk to. I'm so so so glad Kallie has good memories to hold onto because he was such a wonderful and fun Dad, she adored her Dad so very much. I just wish he truly knew how very much he was loved, by literally everybody he met. Rest easy, Trevor, I'll never forget you my friend. We'll never let the memory of you fade and we'll help Kallie hold and cherish those memories of you as well. We miss you beyond measure, Trevor. May you be in peace now in the arms of God.

Trevor, even though I only knew you a short time, I still remember my 2nd day on the job at the sheriffs office and how welcoming you were to me. As I was new to law enforcement, you showed me the ins and outs of the job and shared your expertise with me. I still hold true, the advice you once shared with me. You were loved by so many, and you touched numerous lives. God bless.

Trevor we only worked together for a year, but you were like the little brother I never had. You were the life of the party and I'd never met someone who could out do me. I loved you dude and your gonna be very missed. Me and your son

share a birthday. So every year I'll be looking up wondering what your up to. I'll carry your spirit with me always man it's just who we were. God grant me the serenity to accept the things I cannot change. The courage to change the things that I can. And the wisdom to know the difference. Amen See you later on buddy

My dearest condolences to the family and friends of Trevor. He will be deeply missed. Trevor and I were good friends around elementary/middle school but we hadn't talked in years due to school and Miss May's passing. My mom would take me to Miss May's house where him, my brother and I would all go to his room and play video games for hours on end while she chatted with Miss May. Even though I wasn't around through his adulthood, I was able to experience his journey of life by seeing pictures that were posted of him and family. I will miss his smiling face and contagious happiness. He's in Gods presence now.

—Cassie
