You were my cousins rock during all his times and a stand up mother and woman for anyone who upset the mood in your house. You were my Aunt Glorias best friend ever and even though I didn't talk too you much near the end, didn't mean I cared any less! Rest peaceful up there and know your son will be okay bc he has plenty of friends to cheer him up! God loved you best and as I said, he is going to take his best to live with Him! R.I.P. You are now with the King!

My deepest and heartfelt condolences. I was blessed to have met Twinkle when I lived right across the road from her and her son JJ on Bouchelle Street. I was completely out of my element, unsure of acceptance in my new world here in the South. I learned many things through observation as well. She's the epitome of style and grace. What I will always remember is her feisty get up and go attitude all the while carrying her head high. Her many times enjoying the day on her porch. Heaven gained an amazing angel, a woman so strong I can only pray to have her ability to

conquer and thrive through storms that would break anyone. God bless you Twinkle and thank you for checking me when I needed it.

laugh was engaging. But it was her heart that was the draw for me. Her heart was gold and when she befriended you, you were indeed captured in a true and lasting bond. And while I've been away from Morganton for 56 years, when I visited it was always as if we had never parted. Twinkle was always true to herself and those she loved. May God welcome her into His Kingdom and may her family

receive His Peace and Comfort in this season. With Respect and Heartfelt Love

My most sincere condolences to Twinkle's family. She and I were classmates from elementary through highschool. We teased each other about silly things that happened in school. She had a good sense of humor and was a very friendly person. May God bless each of you during this most difficult time in your lives with strength, comfort and peace.
