I have fond memories of 'Doodles' from our childhood days, especially riding the same bus route together. She was a joy to be around. My heartfelt condolences go out to her family —losing a loved one is never easy. May our heavenly Father bring comfort and peace to all who loved her.

So sorry to hear of Doodles passing. We were the the best of friends in high school and early college. Then adult life took over and we saw each other at a couple reunions here and there. Life is truely short and to be cherished and I pray her family has some beautiful memories to hang onto when you need them the most. I have some of mine as well. Love and prayers to her whole family.
