Precious Vivian, You were definitely a bright light to everyone you touched.. I am so saddened by the news of your passing. Brianna has been having a hard time with it. She was sure trying to come and see you one last time, tell you see you later but I don't know that we can make it happen. No matter what know how much she cherished your friendship and loved you. She will always carry a piece of you in her heart. Love you sweet girl, until we all see you again. Love, Brianna's Mimi

Michelle and my son Kamon dated for a little while and she was always just perky and friendly with us. She went out of her way to make his little brother feel special and would take time to play with him. I am so sorry for this tragic loss.

Hello you don't know me but I wanted to say I am so sorry
for your loss and give my condolences in your loss.

I did not know Michelle personally but my son was one of her teachers and she surely left a lasting impression on him. He talked about her happy spirit and joy for life and was absolutely devastated to hear she had passed. When this grown mountain of a man called me with tears, I could only remind him that our ways are not Gods ways and we don't know why He called her home- but rejoice in the fact that she is with Jesus, safe and well. Know that your family is in our prayers and know that your daughter's short life was a light to my son and will forever be in his heart. God Bless you all.
