A special man of God has gone home to reap the reward of eternal life with all he loved here on earth. Bill was an awesome leader at First Baptist Church in Morganton. Bill was a missionary when he took his own money and traveled to the countries we hear of today which border Russia . Bill took his money plus monies from mission committee at First Baptist Church Morganton and a church was built totally by this project! Does it still stands with events of today..don't know but it made a difference at the time to this Godly servant!
