Wendy and I were friends for a long time, and were co-editors of our high school newspaper. We lost each other after high school, but became close friends after Betsy Blatz got us back together. May God wrap his loving arms around all of your family.

David and Gary and your families, I am so sorry to hear this sad news. I enjoyed several years of friendship on Facebook with Wendy following the years on Pearson Drive and the Drexel connection. I know she was a devoted friend, sister, sister-in-law, aunt and cat mom. I hope the years of happy memories will help you through the difficult days ahead. Fondly, Kay Thorpe

We were never closed due friends but shared a lifetime together through Grammer school, middle school and high school. We shared some conversations and memories through Facebook and I hope our conversations made you smile. We get to know classmates through our school years and realize who and who isn't one of the good ones. You Wendy my friend were and will always be "one of the good ones" I'll always remember and think of fondly even after you broke my arm in third grade

even after you broke my arm in third grade.

From the early days at Forest Hill School, Wendy was the darling with her braided pigtails and her impish grin. Always keen, full of mischief and fun-loving pranks, Wendy was especially proud and passionate about her family, her cats, her Drexel Heritage career, her hometown, and her team. She inspired and engaged so many of us with her daily posts; and she absolutely won our hearts with her fighting spirit and her indomitable courage. I loved knowing Wendy and I wish her family comfort as well as deep sympathy.

So saddened by Wendy's passing. We kept in touch on Facebook and Messenger. She was always a "little sister" to me, and she called me "her brother from another mother". Rest in peace My Dear Wendy! Many prayers and condolences to David, Gary, and your families.
