I just learned of Bill's passing. I knew Bill for a long time but had not seen him and his family for years. Bill was a good guy, very quiet for the most part, but was certainly loved by his wife Irene, their girls, grandchildren and great-children, and I know he loved them all as well. I remember him being a very handy man with small projects and he loved to collect "stuff" by going to the flea market..much to the dismay of his wife sometimes. I know he will be missed by many but his memory will certainly live on. My condolences to the family. Todd Ledford

Wanda and I have known Bill for many years. We met Bill and his family when we started going to Southside Baptist Church a long time ago. Bill was such a humorous man and had a big smile on his face when he talked to people. He was a pleasant man to be around. When we would go to visit him in the rest home and walk into his room, he would have a big smile on his face. We really enjoyed our time we spent with him. We are truly going to miss Bill. May God continue to bless Irene and family. We haven't forgotten you. We love you all!

My condolences to the Phillips family. Leona said she thought the world of (POP) and (MOM) . She talks about you often. the meals they ate together brought them all joy and peace. I think God brings people together in times of need. Know that POP is in a far better place. What little I talked to his I know he was a God fearing man. Wayne and Leona Suttle
