Mr.Fox was a sweet man who helped me several times with some unexpected plumbing issues. He knew about the history of my house and shared stories about the history of his house and our community which were interesting.. I enjoyed talking with him and hate to hear of his passing. My condolences to the family.

Sorry to hear about your father. Him and your mother were so kind. Had lots of good times when they would pick me up for church, when I was younger. My prayers are for comfort in your loss. Bless your family.
