Im sure going to miss her. She would come often to visit my momma when momma got brain cancer. Mommas face would literally up when her and the boys came. Give your dad and my mom a big ole hug from me. You will be missed.

There was nothing finer than stopping in to buy eggs and having a long chat with Yvonne and her husband, Bob. I had just moved from Florida and had no friends here. They welcomed me in and we would sit and talk a while and really got to know each other better. Always such a pleasant, homey place to relax and sit a spell. I loved the coziness and time spent together. It is hard to lose a dear friend. Yvonne was such a sweet and special person. I will miss Yvonne so much today and every day. I know that her family will too. One day though we will all meet again and what a happy reunion that will be. Love and many blessings to Yvonne's husband, Bob, and her family members. Wish all your wonderful shared moments together, and memories of Yvonne will give you strength and peace. Just like Yvonne, you will all be in my heart, my thoughts and my prayers. Feel free to reach out to me if you ever want to talk. God bless Yvonne's family now and forever.

I am deeply saddened to hear of the passing of my dear friend Yvonne. She was the one I could always call on when I had a question about the retirement system. We often talked about our children. She will be missed. She was a lovely friend. Heaven gained an angel.
